

STANDING TOGETHER FOR CHILDREN

SOS Dedicated Week Brings Communities Together in Support of Children Across Lebanon

SOS Children's Villages in Lebanon proudly launched its **first-ever SOS Dedicated Week**, a nationwide awareness and fundraising campaign held from 29 June to 5 July 2026.

Throughout the **week**, our teams and committed volunteers were present across **multiple locations in Lebanon**, **engaging** with thousands of people, **sharing** our mission, and **collecting** donations to support children and families in our care.

More than a fundraising initiative, the campaign **strengthened** our connection with the communities we serve and raised awareness about the importance of ensuring that every child grows up with the love, care, and support they deserve.

The positive response from the public was truly inspiring. Every conversation, donation, and word of encouragement reflected the trust and solidarity of our community and reinforced the importance of our mission.

SOS Dedicated Week also showcased the power of teamwork. The dedication of our staff, volunteers, and partners demonstrated what can be achieved when people come together around a shared purpose.

We extend our heartfelt thanks to everyone who supported this initiative and helped making it a meaningful success. **Together, we continue to create lasting impact and build brighter futures for children and families across Lebanon.**

SOS Children's Villages Lebanon at the Youth Euro-Mediterranean Dialogue

SOS Children's Villages Lebanon took part in the Youth Euro-Mediterranean Dialogue as a civil society representative, contributing to discussions on the future Pact for the Mediterranean.

As participants explored topics such as peace, security, stability, and sustainable development, **SOS Children's Villages Lebanon** brought one key message to the table: peace begins at home. Lasting stability is built when children grow up in safe, supportive families and young people are given opportunities to thrive.

The dialogue was a reminder that building a stronger Mediterranean is not only about regional agreements. It is also about investing in families, protecting children, and empowering communities. Because when families are resilient, societies become more stable, and the foundations for peace grow stronger.

Bhersaf Village

United Through Football

The **FIFA World Cup** brought excitement beyond the pitch, as children, caregivers, and staff gathered to watch the matches together through a generous contribution by **Cablevision**, creating a memorable experience for the children and caregivers.

Filled with cheers, laughter, and shared moments, these heartfelt gatherings strengthened bonds, created joyful memories, and brought our SOS family even closer.

Bel Lebanon Shares a Day of Joy with SOS Children in Bhersaf

As part of **Bel Group's** global solidarity initiative, Days for Good, Bel Lebanon organized its third local CSR activity at **SOS Children's Village Bhersaf**.

Twelve employees from the Bel Beirut site spent a meaningful day with the children, sharing a traditional Lebanese breakfast, fun activities, games, cake, and gifts. The visit brought smiles, joy, and warm moments, reflecting the power of kindness and community support.

Summer Tip for Parents

Turn an ordinary day into an adventure!

Fill a jar with simple family challenges like "build something with recycled materials," "find five things in nature," or "do one kind act for someone."

Let your child **pick one** challenge each day.

It's a fun way to spark creativity, reduce screen time, and create lasting family memories!
